Subject: Make a difference with our mission-aligned partners

Our Live Well, Do Good newsletter features the latest news, benefits, discounts, and opportunities from the Sierra Club's mission-aligned partners. Our wide-ranging alliances help move us toward a sustainable future, advance a greener economy, and can help reduce our collective footprints to create positive impact through everyday actions and choices.

Help keep our air clean

If it's time to take your old gas guzzler off the road, you can donate it to the Sierra Club Foundation. And—since it's National Drive Electric Week—if you're considering replacing it with a new car, check out the Sierra Club's [electric vehicle \(EV\) guide](#) with info on just about all the EVs on the market, how much you can reduce your emissions by driving a clean car, and what rebates and incentives are available in your area.

by millions of people,
can transform the world.”

—Howard Zinn

Renewable & Reusable

Sierra Club members have purchased 215 million clean kWh through our partner Arcadia Power--the equivalent of taking 31,917 cars off the road for a year. This month, get a free reusable water bottle made in the U.S. when you sign up to support wind power through renewable energy certificates (RECs). It only takes 2 minutes!
